A dedicated Account Manager will be assigned as the Client’s primary point of contact and the Client will also have access to a team of Customer Support representatives available Monday through Friday, 10:00 AM – 6:00 PM EST.

2. Local Directory & SEO Services

Page One Insights will optimize the Client’s digital presence in accordance with best practices for local search visibility. Services include:

3. Payment Terms

- **Build-Out Fee:** A one-time setup fee of 249.00 is due on 2026-03-26.

- **Monthly Service Fee:** A recurring monthly service fee of 249.00 will be auto-deducted from the Client's payment method on file each month.

All fees are non-refundable. Services are rendered continuously and billing reflects ongoing strategy, account management, and service execution.

T.M.

4. Billing Terms & Service Acknowledgment

By signing this Agreement, the Client acknowledges that Page One Insights begins allocating resources and delivering services immediately upon enrollment. Monthly service fees reflect active work being performed on behalf of the Client, including but not limited to account management, research, optimization, strategy development, and reporting.

To ensure continuity of service, all fees are billed in accordance with the payment schedule and are non-refundable once services have commenced. The Client agrees to communicate directly with their assigned Account Manager or Customer Support if there are any concerns about service performance or deliverables, so they can be addressed promptly and professionally.

Because our services are tailored, strategic, and begin immediately, the Client agrees not to dispute payments with their bank or payment provider without first attempting resolution directly with Page One Insights. In the unlikely event of unresolved disputes, we reserve the right to pause services and may pursue formal remedies as appropriate.

T.M.

5. Deliverables and Performance Benchmark

Page One Insights will deliver monthly progress reports to the Client via email. Reports may include:

- Ranking improvement summaries
- Directory submission logs
- Competitor movement
- Ongoing recommendations

Performance Guarantee: If visibility metrics do not reach at least a **50% benchmark improvement** within 90 days, Page One Insights will continue services at no additional charge until that benchmark is reached. This guarantee is voided if the Client is non-responsive, misses onboarding meetings, or fails to follow reasonable service recommendations.

6. Website Hosting & Ownership

Any website provided to the Client as part of a promotional or value-add service is considered an additional benefit and **not part of this Agreement** unless separately contracted.

All websites built and hosted by Page One Insights remain the proprietary property of Page One Insights. No backend or administrative access is provided. Upon service cancellation or non-payment, the website will be taken offline without notice.

10. Legal Venue & Governing Law

This Agreement shall be governed by and construed in accordance with the laws of the State of Florida, without regard to its conflict of laws principles. Any disputes shall be subject to the exclusive jurisdiction of the courts located in Miami-Dade County, Florida.

11. Signature Acknowledgment

By signing below, the Client acknowledges they have read, understood, and agreed to the terms outlined above. This Agreement is legally binding upon execution.

12. Business Entity Verification & Platform Requirements

From time to time, third-party search engines, directories, or platforms (including but not limited to Google, Bing, or Yelp) may require verification of the Client's business registration or active legal status with their respective state or governmental authority in order to maintain a listing, reinstate a suspended profile, or complete verification procedures.

In such cases, Page One Insights will notify the Client and provide step-by-step guidance on the required documentation. Upon request, Page One Insights may submit these documents on behalf of the Client; however, the Client remains solely responsible for ensuring their business is properly registered, licensed, and legally recognized in the state in which it operates.

The Client acknowledges and understands that failure to maintain an active legal business entity or to provide the requested documentation may result in the suspension, removal, or rejection of business listings by the relevant platforms. Although this scenario is infrequent, Page One Insights makes no representations or guarantees regarding third-party platform decisions relating to entity status or documentation requirements.

It is the Client's obligation to ensure that their business complies with all applicable registration and licensing requirements.
